

End of Life - Advanced Notification

Micro V2 Client and Display Wall

This notification is to inform you that the products listed below will be transitioning to “End of Life” status.

Affected Products

Part Codes	Part Description
SY-CLIENT-MICRO-V2 87-5016-0010	Synergy Micro V2 Client
SY-WALL-MICRO-V2 87-5016-0011	Synergy Micro V2 Display Wall

Reason for End of Life

The specification of this legacy hardware platform is no longer suitable for the latest Synergy releases and features. For some devices, the Windows OS will reach End of Life by this date.

Definitions

End of Availability is the point that the product was phased out by Synectics.

Extended Support means that the product will continue to be supported if Synectics have contractually agreed to do so. The product will no longer be updated and maintained unless necessary.

End of Life means that we will no longer be able to provide support or spares for the product. Synergy software updates will no longer be available for the product. Should you require a replacement product, your Synectics sales representative will be happy to assist.

1.8 Response
